A HOUSE FULL OF ART 2026

Artwork sales exhibition | Information for participating artists

Event dates and opening

The A House Full of Art (Talo täynnä taidetta) artwork sales event takes place from 19 November to 20 December 2026. The opening reception will be held on 18 November, 5–7 pm. Welcome!

Mältinranta Art Centre and the Art Lending Service will be closed for installation from 11 to 17 November and on 18 November before the opening reception.

Who can take part?

All members of the Tampere Artists' Association may submit work. Works must be ready to hang or be sculptures. Works registered for the event cannot be collected before the event ends. The sales commission is the same as for the Art Lending Service. If you are not familiar with the service, please read its instructions for artists JÄSENSIVUT - Taidelainaamon ohjeet taiteilijoille.

Works cannot be exchanged through the Art Lending Service during artwork drop-off, installation or the opening. Works already held by the Art Lending Service cannot be transferred to this event.

Publicity materials

Promotional materials for social media and email are available on the original webpage: a poster, a square graphic, and story graphics with or without opening-reception details.

Registration

We strongly encourage you to use the online registration form. It saves resources for marketing and installing the exhibition, and allows you to provide more detailed artwork information. Artists who submit both the online form and an image will also be entered into a draw for individual online showcases on the Art Lending Service website during the event.

If you cannot use the online form, you may still submit a paper registration form. In that case, you must also complete the traditional paper artwork labels.

Online registration deadline: Sunday 8 November 2026 at 11:59 pm. Open the online form

Artwork labels and images

Paper artwork labels are mandatory only if you register using the paper form. Artists registering online may also complete the labels to make sure the artwork details stay with each piece. Attach the appropriate label to every work.

Artwork labels: VAT 0% | VAT 13.5%

- Write your name and the title of the work on the back of every artwork.
- If you registered online, you do not have to complete paper artwork labels.
- If you use labels, select the correct version based on your VAT status and complete one for each work.
- If a work is NOT available for rental, cross out its monthly instalment amount and also tick the "NOT AVAILABLE FOR RENTAL" box on the registration form.
- Attach each label lightly to the relevant work. Labels accompanying paper registrations are used as customer price tags, so write legibly or type the labels before printing.

Please also provide images of your works so they can be displayed to customers on the Art Lending Service website. Before the event opens, send images as email attachments to senni.uusikartano@tampereen-taiteilijaseura.fi, with the subject "Talo

täynnä taidetta -teoskuvat”. After the event opens, send them to taidelainaamo@tampereen-taiteilijaseura.fi. Follow the Art Lending Service’s image-submission instructions. Unnamed image files cannot be processed.

Delivering artworks to Mältinranta

Wednesday 11 November, 1–5 pm. Works will be received in the Gallery; please enter through the workshop doors.

- See the size and quantity limits below.
- Do not leave delivery until the last minute: no works will be accepted after 5 pm.
- Unpack your works and take all packing materials away with you.
- Make sure each work has an artwork label attached. If you registered online, you can obtain a label on site.

Collecting artworks

Sunday 20 December, 3–4 pm, OR Monday 21 December, 9 am–6 pm. Enter through the doors on the workshop side when delivering or collecting artworks. A storage fee of €10 per started month will be charged for uncollected works.

Maximum number and size of works

Members may submit 1–3 exhibition-ready works, depending on their size:

- 1–3 small works, each measuring less than 80 cm per side, including frames; OR
- 1 large work (maximum 150 cm per side) and 1 small work (less than 80 cm per side).

If a work is fragile or difficult to install, come and install it on Thursday 12 November, once its location has been assigned. Works from the Art Lending Service cannot be moved to the event.

We aim to hang at least one work by each artist on the wall. Please make sure your works have proper hanging fixtures and professional framing. If there are many works or they are large, some may have to be displayed in stacks leaning against a wall. The Association does not insure the artworks.

IMPORTANT: We will not display works for which registration and the required artwork details have not been provided, or whose pricing or other essential information is missing.

Small items and art products for sale

Artists may also bring art products for sale at a sales table throughout the event, such as prints, jewellery and other suitable, high-quality art products. Each product may cost no more than €100; products priced below €50 are particularly encouraged. The usual sales commission applies. Some products submitted to this event may also be selected for sale through the Art Lending Service.

Bring these products when delivering your artworks and allow enough time to review and record them with staff. Table space is limited, but we will aim to display the items as well as possible. Prices must be clearly visible on each individual item and easy to identify at the Art Lending Service checkout.

Small-item sales are not itemised: artists receive a settlement as one total amount. The Association does not track the quantities of each artist's products sold; artists are responsible for keeping their own sales counts. Quantity discounts are not permitted.
